Newsletter 10 – 30<sup>th</sup> November 2018

One of the changes since we have joined the Midsomer Norton Schools' Partnership has been to our office email system. Along with the other schools in the Trust we have moved across to a platform called RM Unify which streamlines all the office information in one place. As part of this move, the individual staff and the school office have new email addresses, replacing the previous Somerset ones. We are starting to use these now, as after Christmas we will no longer have access to our old email accounts. The main staff addresses are below; you can always email the school office account and we can pass that on to the relevant member of staff:

Mr Turull - [dturull@leighonmendipschool.co.uk](mailto:dturull@leighonmendipschool.co.uk)

Ms Claxton - [sclaxton@leighonmendipschool.co.uk](mailto:sclaxton@leighonmendipschool.co.uk)

Eagle class enjoyed an energetic trip to Liberty Gymnastics club this Wednesday. They were able to experience 12 different activities fully supported by experienced Liberty Gymnastics staff including vault, balance beams and trampolines. All activities were designed to work on core strength and balance. Thank you to Ian Groves for organising this event.

We are extremely lucky to have such a supportive FOLS group. They have given their time this week making Christmas crafts with the children. These will be available to buy later on in the term. We also have two parents who have offered their time to hear readers in both Owl and Eagle class and we would welcome anyone else who has any free time!

Next weekend St Giles' Church is holding another Christmas Tree Festival (the flyer is on the second page of the newsletter). All the children in the school are busy making decorations for their trees, so please go along and support this event and see their wonderful creations. The Church will be open from 11am to 4pm.

We hope you all have a lovely weekend; don't forget to come along and choose a tree at our Christmas Tree sale here at school on Saturday!
