

Leigh on Mendip First School

working together to achieve our best

Newsletter 9 - 23rd November 2018

Thank you to all the parents who joined us for the meeting on Monday regarding our bid to change the status of Leigh-on-Mendip to a primary school. We had an interesting discussion along with Alun Williams, the CEO of the Midsomer Norton Schools' Partnership. So far we have received overwhelming support for this and are currently putting together the business case, before we submit the application in January. If it all goes through, then we will be looking at offering provision for children from September 2019.

At the beginning of the week all the children and staff at the school took part in an anti-bullying march in the school grounds. At the end of the march everyone gathered on the playground and the Year 4 children read out banners regarding bullying. The pupils then held a long paper chain to represent that they are all part of a team together. We all take this issue very seriously and it was great to hear the views of the pupils.

Our Wednesday after-school club has changed from tennis to Tai Chi and this week ten children took part in this new activity, led by Mrs Robertson. We are hoping that many more children will join the club in the next few weeks. We'd also like to say thank you to Mr Rolnik for the tennis coaching he has provided his term.
