

School Ethos

At Leigh-on-Mendip, our school ethos is to provide the school community with a safe, challenging and creative environment in which we care and respect individuals, their needs and skills, to ensure we are **'working together to achieve our best'**.

We aim to achieve this by:

- Being a vibrant and happy, stimulating and safe school
- Giving each child the opportunity to develop independence, self-confidence, self-discipline and self-esteem
- Helping to fulfil each pupil's individual potential
- Promoting empathy
- Planning and delivering a broad, balanced curriculum which meets the needs of the individual within the developing requirements of our school and society
- Providing equal opportunities for all children
- Promoting positive links between home and school
- Organising a range of opportunities where all children can succeed and achieve in creative, environmental, academic, musical and sporting activities
