9th September 2019

NOTICE OF CHANGE OF AGE RANGE

Our Local Governing Body started to manage Owl Babies in 2016, which meant that where it had previously been run as a separate entity, it now came under the umbrella of the school although not officially part of it. Since Leigh on Mendip First School has become an academy and joined the Midsomer Norton Schools' Partnership we would like to make this arrangement formal so that we would officially have children aged 2 to 9 on roll with us.

There will be no changes to the running of the nursery or school with this change other than the children at Owl Babies being on our school records from when they start at the preschool, which should make matters such as payments and school dinners easier.

It is a relatively easy change for us to manage but if you have any questions or concerns then please contact us in one of the following ways: call the school to talk to one of us on 01373 812592, email the school on office@leighonmendipschool.co.uk and we will respond promptly, or come in and see one of us.

This consultation period will last for 4 weeks until 7th October 2019.

Yours sincerely,

Mrs L Phillips
Head of School

Mr D Turull
Executive Headteacher
